“ My Condolence to Art Falks family. I worked with Artie on the Thruway for a number of years. We rode to work together nights on the winter shift. I am very sorry for your loss. RIP Art and someday we will meet on the other side. Rod Stanfield

“ Artie and I went way way back, sleigh riding down his hill as kids, hanging out in the tree hut his father built us, riding on the back of the doodle bug, driving cars in the woods before we were teen agers and then neighbors again later in life. I'm sorry he's left us. Condolences to his family.
