“ *Dear Nancy and Family -*

I just heard the news and was so sad to hear of the passing of your Mom. She was a lovely lady and I remember her so much when Frank and I were in CYO together, Don't know if you remember - but Frank and I were King and Queen of the CYO Dance one year! Oh my - so many fond memories - hard to believe they are both gone. Know that we are thinking of you and sending condolences to you all.

“ *2 great memories to share - one she gave the best hugs, and two her words of wisdom will always stay with me. She said, "Lisa, there were days when Nancy was young that I could have run her over with my car and not feel bad about it". I reflect on this in my Calgon take me away moments because Nancy turned out to a beautiful person and an incredible daughter. Thank you, Agnes, for helping to shape my childhood years. Rest Peacefully.*

“ *Nancy, we are so sorry to hear about mom. Our prayers are with you during this difficult time. I have many great memories of my younger days in Glasco with your mom and dad and the excitement of the post office. Used to love crossing through the back yard and spending the afternoons visiting with my parents and your family. Love your cousin, Debra and Aunt Pauline.*

“ Nancy & Family: My heart goes out to you at this difficult time. But I'm sure your Mom is safe in the arms of Jesus now & probably chatting with my Mom.

Loved visiting with your Mom when I worked in the Glasco PO.

Love & peace,
