“ *I fondly remember spending many evenings with Andrea, sitting around the kitchen table on Long Island, playing games and hanging out till late in the night. Since then I've been blessed to see her and her family grow, seeing the wonderful mother that she became. My life has been all the better knowing you, Andrea.*

“ *I'll never forget the day Andrea came as Bill's date to our TA dinner. I fell for her at once--hard. I am so happy and proud to have been close to this wonderful woman for so many years--and to have changed diapers on all her four daughters. There are so many happy memories and so much shared love. Thank you, Andrea, for all you have been and ever will be to me and our family.*
