Was great with the kids. Always helped them so they could enjoy their bowling games. You are ttuly going to be missed. Prayers for the amto family, sherri and kids.

“ Tony was my second cousin. I really enjoyed meeting him a few years ago at the Crismond Reunions and he was one of the sweetest , kind person that I had ever met. I always looked forward to seeing him and his family at the reunions each year. Charles got our band The Dixie Belles to play, but I always wanted Tony and his family because I knew he had so much music talent but never got the opportunity to hear him. We will miss him so much and I pray for comfort to Sherri and his family..May God put his arms around them and bring them some comfort. It is hard, I know. I lost my husband also.

“ It's rare to see the love that Tony and Sherri have for each other and their love and commitment to their family, which always included so many others. The outpouring of love that has crossed the internet for Tony and his family just blows me away and I know it's God's way of showing us there is still good in this world and it will overpower evil. Tony will surely be missed. Many happy times shared with him and Sherri and family. God Bless and lift up Sherri, Anthony, Natasha, and James. And also to Tony's siblings and his beautiful Mom. I just love her!

“ *Tony was the type of person that could always make you smile. No matter what is going on, he would crack a joke and laugh. The smile on his face was genuine and contagious. He lived life to the fullest. More people should strive to be like him. An individual who cared about his family, friends and community. He was always willing to help anyone in need. He was one of the first people to want to volunteer and help others in need, by holding benefits to help them. The world needs more people like Tony! He will be missed by everyone.*

Im so sorry for his wife, I worked with Tony for about 6 yrs and there's 1 thing I knew for sure was how much he loved his wife, his eyes lit up when talking about her, and he loved his family. The last time I saw Tony I was working at another job I asked how him and his family were doing and we were talking about how hard life was, he then walked outside and found someones wallet filled with money and turned it in. My thought was what an honest guy(no one else would do that) he was a hard worker and honest guy who truly loved his wife and kids and it's so very heart breaking that the real nice good ppl go way to early. God bless his wife and kids im so sorry.xxoo!
