“ *There's no way writing will express my thoughts and love for Deacon Arnie. During my Mother's and Wife's illness and deaths Arnie was there to listen, to pray, to help. Not only was much good done but, laughs had at the Christmas Food Drops with Arnie not hesitating telling me what to do. There's no way we can not mention the many mornings after Mass at Locks and Bagels the past couple of years. I'm the first to admit being a sinner but, it was Deacon Karl to my left, Deacon Arnie to my right. I was receiving advice and prayer in stereo! I have much love for Brother Knight Arnie and for you Pat. Any needs don't hesitate to call. Fair Seas Arnie.*

*As a convert to the Faith, the first person I had discussions with were Arnie...I needed his help with an annulment and he listened with such understanding and compassion as I poured out my life story to him. He listened and was truly Jesus to me as I went through the process. I knew and recognized this church was truly where I belonged, and Arnie made the journey so rewarding and peaceful. This was over 20 years ago...when I was confirmed, he gave me my very first communion, a moment that will live on in my heart and memory., and so will Arnie..you will never be forgotten, my friend..*
