“ *Memories of love and friendship are treasures we carry with us always. Barb was such an amazing woman and she always treated us like family and we will never forget the warm conversations over the best cup of coffee in town. She fought many battles and her strength through it all has taught each of us a thing or two. Our hearts ache for Bob in losing his lifelong love and we wish strength to him and the rest of the family in the coming days. We will always be here for you, Bob.*

“ *Aunt Barbara was like a mother to me and my family. She gave us unconditional love and always wanted nothing but good things for us in our lives. I will remember her with so much love and gratitude as she helped make me the woman I am today. Thanks Aunt Barbara for always supporting us no matter what and thanks for all the wonderful recipes you have given me over the years. If it weren't for you I wouldn't be the good cook I am since you are the one who taught me when I was just a little squirt. Uncle Bob and the rest of us are gonna be lost without you?????*

“ *My condolences to Barbara's family on her passing. Barbara and I worked together at Grants in Saugerties. We were close friends. Over the years we lost touch, but I always think of her with very fond memories and I always will.*
