

Benjamin P. Vinci

January 29, 2020

It is with great sadness that the family of Benjamin P. Vinci announces his sudden passing at the age of 47 on January 29, 2020. Ben was born in Croton-on-Hudson in 1972 and moved to Saugerties with his family in 1986.

Ben loved to fix and build motorcycles, cars, and anything with an engine. He was also passionate about fishing, weightlifting, and hatchet throwing but his greatest love of all was his fiancé Christine Elizabeth. Ben will always be remembered for having the most open loving heart, disarming charisma and witty sense of humor.

Ben is lovely remembered by his mother and father Diane and Benjamin Vinci Sr., his sister Jennifer Vinci Riekert and his fiancé Christine Elizabeth.

“ Ben was a middle school friend. A very good friend. I have seen how he has turned his life around and was so I love with Christine. As a friend it was so nice to see online, he seemed to be so happy and at piece with who he was. I quietly watched and admired him and his happeniess. I wish I had contacted him later in life but instead sat on the side lines admired how far he had come. Christine please know you and your family will always be in our prayers. It was so obvious you made him so happy.
RIP Ben

“ Ben and I worked together at ARC many moons ago. He was always fun, charismatic and most of all, kind. He treated people we served with the outmost respect and dignity and I admired him and his sweet spirit. He continued to be a part of my life after ARC as he and my son became friends. My deepest sympathy and prayers are with his immediate family and his fiancé and future child. May happy memories of Ben replace your tears.

“ I am so sorry for the loss of Benny. We had some great hikes, and camping and most of all the talks and jokes. He was an awesome artist and I an so happy to have some of the hawks he created. He was a very special guy, so kind, empathetic, and giving. Christine I don't know you but I am sure you are as special and strong as he was. I was so happy for him when he found you, and of course to be a father. He has a very deep kind soul and he will be with you and baby forever. I am grateful for having known him. Love, Pam
