“ I was so sorry to hear when Arlene let us know about Charlie. It had been a number of years since I had seen or talked to him (I think about 6) but he was a big part of my youth and will be missed.

“ I'm so sad to see this...:( I worked with Charlie for several years when I worked for the Town of Saugerties and called him in to work the Garlic Festival with us out in the lots. He would come around on his food cart and give us food and drinks at our parking posts. He was always very kind and respectful and sweet to me. RIP Charlie and I will remember you fondly....
