“ *My heart breaks as I read one of the most beautiful souls in met has passed away. Especially so young, Christian and I met in a youth center when we were very young, instant connection. We were obsessed with one another, her smile was my favorite thing. It was so contagious and is something that she was always doing. If you know Christian, you know she was so sweet. Fast forward to a few years ago we ran into each other in ellenville and she shared some of the struggles she was facing, I genuinely wish we were able to stay close so I could help her. She was the most amazing person. Such a vibrant soul, always happy to see me. My sincerest condolences to her family*
