“ Oh Danny where to begin. One of my favorite memories was when I called you after your mom came to my job and gave me a chocolate covered Oreo! I called you in shock because I didn't think she remembered my name! you started hyperventilating in laughter and said seeee she doesn't hate you!! You and I were best friends all through JR and Sr high. I will always hold on to your letters you sent me when you went away to boot camp! (Even though I wasn't happy you went!) I love you Danny and will always always remember you laughing ad cuddling your babies since that was your happy place! Until we meet again Danny... aka Clyde
