You are a kind, giving woman. May, He give you strength and courage. Your Husband Danny will always be watching over you. God bless you and yours, Lila and son Scott Davidson*

“ *I've worked with Danny for almost 5 years at Solite and cannot say enough good things about him. He always had a smile on his face and a kind word when I arrived at 8am. He absolutely adored his family but, was especially proud of his grandson and got giddy when he knew he was about to see him. Words cannot bring back a wonderful man but, I hope reading them bring some comfort knowing how he touched so many lives. We will miss him and a huge void has been left in our hearts!! “ Maryann and Danny's entire family, the world lost a GREAT man but heaven just gained a TERRIFIC angel. There isn't a time when Danny would see me, whether it be at Quick Chek, Sam's or on the street, that he didn't make me feel special. His infectious smile and jovial demeanor will be missed by everyone who ever had the benefit of knowing Danny.
RIP Danny!!!

“ Maryann, Nicole, Zach, Dan's family and all those who loved Dan,

I regret that I will not be able to be there with you at this very sad time. I have very fond memories of the times I spent with Danny. In fact whenever his name comes up I can't help but break into a smile when I think of the laughs he created over the years for me. My side was always hurting after a session with him usually when we visited with Lisa and Don Romeo-Mullins. Those would be late nights. We had such a great time at the class reunion. He was so funny about his allowance stories that Maryann gave him. He always had some funny story and I always admired him for how kind he was to my mother in law Agnes Cashara over the years especially when she moved out of her house in Glasco and resided in the apartments in Barclay Heights; before she moved in with us. May the sadness that you all feel, ease as time passes and you recall his life with the fondness that he brought to so many people. He will really be missed! Rest in peace my friend.
