“ I'll always remember my first day of kindergarten, Dawn was with me to make sure I wasn't afraid. We had so many memories over the years. She was the first visitor I had after my son was born and I was at the hospital after Tiffany was born. She was my neighbor for a while. Even though we didn't stay close I'll always remember the good times we had. SIP my friend. My condolences to Tiffany, Matt and Cameron and to her sister Debbie.
