“ We want to take this moment to thank everyone for their support. We really appreciate everything you guys are doing and have done. Denzel is a great kid! even through this strategic moment, Denzel took time to make sure his family and friends were left with closure. His peace, kindness, and love is helping to ease the pain. For God hath not promised skies always blue, flowers-strewn pathways all our lives through: God hath not promise sun without rain, joy without sorrow, peace without pain. But God hath promised strength for the day. Though Denzel's smile is gone forever, and his hand we cannot touch, still we have so many memories of the one we love so much. Denzel's memories is our keepsake which we will never path. God has Denzel in his keeping, and we have him in our hearts. Thank you to everyone! We love you all.
From the Bynum/Francis family!

“ Words will never express the love and friendship that was received and given from Denzel, to my son Adam and my surrogate son Doc. Denzel spent much time at our home, with the boys and every moment was a cherished one. He was and will always be bright light and a shining star. He will be forever missed.

I speak these words for Adam and Doc when I say...

Forever friends, forever in our hearts!

“ You're family is in our prayers and hearts at this sad time. Denzel was a friend to both of my children, especially Robert. He was in my fifth grade class with Mr. Reynolds for science. Throughout the years, the kids would hang out at my house and play video games and ride their bikes all over Saugerties. He was a great kid , who had respect for everyone. We will miss him and always remember him for the kind person he was. Love, Amber, Robert, and Courtney!!

“ Our deepest sympathies to you and your family. Denzel was such a gentle person. Our family loved him like one of our own and I will truly miss my random "mother" text messages from him. But please know, that his spirit lives on and he will be remembered with loving fond memories.
