“ I also worked with Don at Hess.. he was always a helpful guy. We would chat about wrestling alot he was a big WWF fan.. he would always tell me what happened on the pay per views. Very sad to hear of his passing... Many prayers to his mom whom he always spoke very highly of. I believe I even met her once when she was down here visiting. Don.. may you fly with the angels and keep a watchful eye on your mom and your friends.

“ I’m originally from Kingston and after Don had moved back to FL he was so excited to tell me all the restaurants and places he had been and was excited I knew them or frequented them when I visit home. He was a good man. I am so very sorry for your loss.

“ I enjoyed taking to don while working with him at Hess.. we both enjoyed playing farmville together and learning tricks and cheats LOL... He often spoke of the celebrity fan pages he had on his facebook and the joys he received from interacting with them... He always treated my children really well and helped my handicapped daughter when she shopped there.. He will be missed .. Prayers sent to those he left behind
