“ *To All of Donna's Family-I'm so sorry for this devastating loss. I have very fond childhood memories of Donna from elementary school. Although we grew apart as we got older, we would always catch up on the grocery store every couple of months. It was always fun to see her. I'm sorry to say I did not realize that she was ill and I just hope you can find comfort in knowing that she suffers no more.*

My thoughts and prayers are with you all.
