“ *Doris was my Aunt, my dads sister. Just found out she had passed. Havnt saw her since I was a little girl. I live in Kentucky where her parents and siblings are from. I noticed in her obituary that only one brother and two sisters were mentioned. She also had three other brothers, my dad, Gary Griffin, Phil "Red" Griffin and Jr Griffin.*

“ *Doris was indeed a lovely lady. I loved our mutual open door policy as her neighbor. She was a terrific listener. So many times she helped me to put into perspective some challenge or other. Other times we just sat together enjoying the nature around us. Doris was a wise and generous woman who showed her love in many ways to her family and friends. Doris, I love you, and I miss you. My sincere condolences to her family and friends.*

“ *Betty Jean, Nickie and the twins. I am so sorry to hear of your Mom's passing. I often thought about her and the good times we had together. I tried to get in touch with her after we moved to NC but wasn't successful. I know you will all miss her. Please know that you are all in my prayers. God Bless. Carol Lee (Buytkins)Petersen.*

“ *There was a time in my life I am not sure I would have made it without you. You opened up your home and family to me. You provided me a sanctuary filled with love. You showed me how to be a lady, but more importantly, what a loving relationship looked like. You invested your time and energy into making us better people, always using your gentle ways. You showed me God. Please give Daddy Nick a hug and kiss from me. With so much love, Felissa*

“ *Doris Ivino, , what can I say about my cousin, and best of friend though the years. She was one of the kindest, gentle, warmest people I've known. There was always a "welcome" for anyone who needed her, whether for help, or company. Her life wasn't easy for sure, but she always had God in her life, and forgiveness for us all. You will be missed, and remembered Doris. And forever "thank you" . I am sure Nick, and your family were there to welcome you home. Love, Love Love, Lynn*
