“ *Linda, Cynthia, Steve, Tom and Julie and families- Your Mom made my Mom laugh! Thanks to your Mom for sharing that gift with others. My mom was lucky to have her as a friend. I still tell the story of Terri and Arlene promoting voting by pulling us very little kids around in wagons in the IBM parking lot while wearing Democrat and Republican costumes - (my Dad drew them on big white mattress bags) IBM was not happy about this display and promptly ushered our Moms out of the parking lot. Wishing you all the best and many good memories of your Mom.*
