“ I met Frank when my son turned 16 and needed car insurance, I called several insurance companies but none were interested in helping a new driver. I called Frank and he said come in. Upon entering his office Frank stood up, shook my son's hand and spoke to him as a son, not just a customer. He looked at us and said "sure, I can help this fine young man" not only did he help him with insurance but throughout my son's life he never forgot the chance Frank gave him. When Frank was ill and in the hospital one day he looked up to see my son taking care of him. They both smiled. Frank is smiling now knowing his kind action that day 13 years ago, has been "pay it forward" time and time again. Frank's family thanks for sharing him with the world.

“ My condolences to the family of such a wonderful man. I will always remember him coming to the house when I was a kid to sell insurance and sitting around the table for hours just visiting. Rest in Peace Frank.

“ My deepest condolences to Frank's family especially Tom and Jessie. I know how much you loved him. He was a great, loving man, who gave to all no matter who. When I was a part of your lives, Frank treated me as if I was his own daughter, there for me every moment. Even after, he was still there for me. I will forever miss Frank. The world was so much better with him in it. We will see you again in Heaven Frank. I send my love to you through the angels that surround you now.

“ We want to offer our condolences. Frank was like a big brother to me, we shared an office in Saugerties. He taught me a lot about the insurance business and also life in general. Frank was a great father to not only his biological children, but a good father image to all those he came in contact with. Frank's generosity will always be remembered by me and my family. He was always the first to insist on picking up the dinner tab. Frank was a wonderful person, may he rest in peace.

“ *My heart is forever broken. Frank was a great man with a Hugh, kind and generous heart. We worked side by side for twelve years. His wisdom and knowledge will never be forgotten. He gave to so many people and never asked for anything in back. He lived for his sons and grandchildren. He only wanted the best for all of them and loved them dearly. I thank God for bringing Frank into my life and I thank his Family for the honor of sharing him.*
