“ I love and miss you, Papa... I am sorry I wasn't there for you towards the end...I will always remember the times when I went over to visit you and Nanny and the times when you would make me laugh when I was having a tough week, nothing can take the memories I have away from me... Thank you for being an amazing grandpa... I love and will miss you immensely... May you be happy in heaven and finally get to eat all the burgers you want and see those who went before you and watch over us... ”
