“ *With a heavy heart I want to extend my deepest sympathy to Jean & the entire family. Missy was a childhood friend and I would often run into her at the nail salon. We always enjoyed chatting about our kids and Glasco memories. Last year when my son was in the hospital she treated him like family. May God bless you all.*

Helen helped us so much in the death of our nephew, Mikey, in his last week of life at Kingston Hospital. Our deepest condolences to all of the family, especially Kathleen, Donald, & Leah. May you have the strength of your mother's love & acceptance throughout these darkest of days and may you feel the love & concern from all of your loved ones & friends. Your mom was a unique, caring person.
