“ *Condolences to Gail, Jim's children and family. On visits back home I had a chance to share his 50th birthday party where I had the chance to meet Gail and Jim's friends at that point in his life and then later visited him during one of his stays at Columbia Me. He helped me through a tough time in my life and was a friend.*

“ My deepest sympathy to Kathy, Freddie, who, along with Jimmie, grew up with. I extend the same to his children and girlfriend. Jimmie was always a fun kid to be around. Quiet to the eye, but full of mischief when he so desired. R.I.P. my old friend.
