“ *We are so sorry to hear of the sudden homecall of Jim. He has heard, "Well done good and faithful servant" which for him is far better but for you, Joan and family, there will be a great void. We pray the God of all Comfort to surround you with His love and tender care at this time.*

“ *Ive had the pleasure of knowing Jim for many years serving with him on trustee boards caring for the Lords house. Seeing his tool box tonight was a perfect way of reminder of his many talents that he shared so freely. My wife and I will miss him. Our deepest condolences to his family*
