Your love was unconditional. Your Heart was always tender and loving. I include my two son's Christopher and Nicolas as children of you own. You and Dad together helped raise our babies, as they grew you were still watched over them. They are your babies too! My heart will be forever grateful for all the love and kindness you've given. For 27 years your were Mother to me.you thought me many things. I'm forever grateful and in my heart you always will be Mom. I will see you again in Heaven. All my love, Georgia 🌹
