“ *My respect and sympathy to the family. I serviced your dads windows the past couple years. You didn't need to know him a lifetime to see what a wonderful person he was. I know his family misses him dearly and I wish all of you my best wishes.*

“ *Dear Aunt Carol and cousins,*

I am deeply sorry for your loss. "Uncle Joe" was a delight and will be sorely missed. Even though he was never my direct Uncle he let me call him that and I will forever remember him asking me if I one of Jimmy's kids and if so, which one? He was a friendly warm man and I will always hold him in my heart and memories especially at the Glasco/Fabiano Fireman's Fairs where he always gleamed with pride.

My sympathy from the Mauro family (James') to your family,

Niece Anne Marie (Mauro) Dwyer
