“ *Mary, Doreen and Joe: We could write a book about our Joey the Seal. Joe was a friend like no other. Anytime we ever did anything to our home, Joe was there. Anytime we had any kind of an issue, Joe was there. Anytime there was a problem, Joe was there even if he couldn't fix the problem. We never had to ask Joe to come. He came because he knew we needed whatever. Sometimes he just came because he could. Every Saturday for several years, Joe, Dennis and I would go to Dallas Texas Hot Weiners and there wasn't a time that Joe didn't know half of the establishment who waved to him or called his name. He was truly a wonderful friend and we will miss him forever.....but we will forever carry him in our hearts. Our love to you all at this very, very sad time. Now at this time .....if there is anything you need, please call us. Love Elaine & Dennis Ferraro*

*Mary, Joe, Doreen and children. I was sorry to hear of your loss. Joe and I grew up as neighbors and, with my brother Joe, enjoyed playing outside, climbing the apple trees and playing Canada on the front porch. He was also a very good neighbor to my mother after Lerby went into a nursing home. You are in my prayers. Sally Ann.*

*Mary and family, we were so saddened to hear of Joe's passing. He was a great friend and wonderful neighbor. I have so many good memories of Joe ... fun times when he'd ride his lawnmower down to sit and visit and have a glass of wine in the breezeway with us. He gave me such good advice whenever I needed it...he was a wonderful man and will be missed by so many. Rest in peace my dear friend !*
