“ *I had the the pleasure of knowing Lisa first as a tenant after I moved her in to Hickory Ridge Apartments and then we built a friendship. She was always so full of energy and so positive even though she had struggles. She made me laugh and boy did we laugh a lot. She trusted me with her personal thoughts and I valued her friendship. She always brightened my day. She will be terribly missed. She was such a special girl. I will forever keep her in my memories.*

“ I had the honor of meeting Lisa over 3 years ago. She was always smiling and ready to tackle any and all obstacles that were in her way. She was a wonderful person, would do anything she could for others. Her love of life was bigger than most. I send my condolences to her family, Steven and his boys, and all who had the privilege to have been a part of her life. God took an angel to soon. I will miss you Lisa and will always remember the special place you have in my heart. Rest in peace now, you have earned it! Love you always.

“ I knew Lisa since she was a baby. I used to cut her hair when she was still a toddler. I'll never forget the day i accidentally snipped her ear and how bad I felt. She cried a little but still gave me a big hug afterward. She had a lot of energy as a child and we called her and mark "springs" this always made her laugh. As Lisa grew older she turned into a wonderful person with a big heart which is something I value most in people. Her mother Marylou was the same way. Lisa is with her Mom now and in good hands. My condolences go out to Mark, Camillus and Eric and everyone who will mourn her passing. RIP - Eric Carney
