“ *It's to believe you are gone my dear friend. We have so many great camp memories starting way back at Paradise Pines when my kids were babies continuing through your kids getting married and giving you grand babies who are all grown and still camping. We shared many great meals and parties at both our houses. You were an exceptional mom, Nonna, and great friend who has made this world a better place. Rest easy. Until we meet again Pat and Ed Sharer.*
