“ We were friends since we were little girls. They say cousins are often your first friends. Margaret was an amazing friend. She was often "stuck" with me (I am 3 years younger), when my mother and Margaret's sisters went out on the town. She always treated me so kindly. Many others may have felt a burden having to hang out with some one "younger". I wish we had more time together. I will miss knowing you are there. Hugs and prayers to your family.
