“ My condolences to all of Noreen's family. She was a great lady and a hard worker. Her dedication and admiration for SOS was admirable. In addition to working side by side we had many laughs together. She was always willing to do outreach and made many friends in the process. She will be greatly missed.

“ The amount of memories I have had the privilege of sharing with you grandma... are priceless, endless, and unforgettable. I am going to miss you sooo much! You taught me so much, from how to bake, to actually sow by hand *a trade most people my age don't even know how to do today* you taught me to always to be beautiful inside just as much as my outside. And to always remain a lady, but never to take any mess. And when someone doesn't deserve the best you give them the "pinky". You had countless stories, and memories you shared with me. I'll miss all your hugs and "TLC", because in your mind I was never spoiled. You were just giving me tender love and care! I love you so much grandma. I will always cherish our many summers together, our bond, and our love! Til we meet again ...

*i love you forever,
your favorite and "ONLY" granddaughter*

“ I have many fragmented memories of Mom. But in every memory is her mischievous smile, a warm hug from her and funny conversations with her.
