“ *He was always the best even when we made him crazy! The most loving, caring and kindest man. A rarity!
I will cherish the vacations we took, the burst of laughs we had and I will forever be grateful for the orange juice you shared with me even though I drank it from the big glasses!
Love you and may you be smiling and chatting it up in heaven with all the greats that have departed too soon. Lots of love to my extended family during these unprecedented times. Xo*

“ *Joan, Danny, Kellie, Pete, Joanne and extended families - Please accept my deepest condolences. I have very fond childhood memories - he was always so nice. I was lucky to run into him at Stewart's not long ago and we chatted a bit. I am holding all of you in my heart. Love, Jodi Hart-Longto*
