“ *I haven't seen Peter in probably 30 Yrs ago or so. He lived in Wisconsin. The last I saw him was in the Exchange with his wonderful brothers Brian and Kevin. He was of course full of life and was busting chops saying I had stabbed him in grade school with a pencil..😂 I have no recollection of this and was sure he confused me with someone else! My heart sank to hear of his passing and pray The Lords Grace and comfort upon all his family 🙏💔*

Many, many great memories of Peter from our early teens (PacMan/Donkey Kong era). He was a firecracker. We loved a lot of the same music. Thankful for his brothers (for their record collection!) and thankful that I got to reconnect w/ Pete a handful of times after some gray found it's way into our beards.

“ I am so sad to know that your Peter is gone. He was only 4 years old when we moved into the neighborhood. He played with our Joann who was 3 and called her “Joy-ann. “ he was a cutie. God Bless you all with love and peace.
