

Philip Gouldsbury

May 24, 1952 - May 9, 2026

Philip Gouldsbury, 73, passed away on May 9, 2026. He was born on May 24, 1952.

Philip was predeceased by his father, Alfred Gouldsbury; his mother, Dorothy Devito; and his sisters, Linda, Susan, and Judy.

He is survived by his sisters, Nancy Herriman and Pam Whitcomb; his son, Brian Gouldsbury, his wife, Crystal Lugo-Gouldsbury, and their son, Jackson; his daughter, Allison Nguyen and her husband, David Nguyen; and his daughter, Michele Gouldsbury and her fiancé, John Dipilato.

Philip was a man of few words, but those who knew him understood the quiet comfort of his presence. He loved cooking, spending time at the beach, soaking up the sun and was especially fond of cats. He never turned down a crisp Coca-Cola, was an avid coffee drinker and found joy in life's simple routines and pleasures.

Some of his children's fondest memories are of the family vacations they took together to tropical islands during their childhood; sunny days, ocean air and time spent together that will always be treasured.

Philip may not have always shown it openly, but he loved deeply. The people

who knew him best knew the depth of that love, even in the quiet moments. He will be remembered for his steady presence, his simple joys and the memories he leaves behind with those who loved him.

He will be missed by his family and all who knew him.

“ Hello, my name is John Matthews and I worked with Phil at first finest and Edwards and finally at Stop & Shop also worked for his father my early years. I known Philip since 1974 we went camping together. It took him out of my canoe which he didn't like too much. . We shared quiche recipes together. I live close by in Ruby. I was hoping the warmer weather would get him out again. He did not like the cold. I too will miss him dearly. God bless you all and know that he's in God's hands right now, he got to see the face to the name that is Jesus before me. He did love those cats as I do. Also, I know to be healthy and eat healthy so I don't know what took him, but I hope you didn't suffer much or any. Thank you.
