“ Ray once said to me..” Honey, Happiness is not about People, places or things. Happiness is only found from within and even then the happiness is limited because everything changes with time. So to be truly happy, you must stay focused, enjoy life and take care of yourself and reach out to others daily” Thanks Ray. RIP SIR. Xx

“ We've known Ray for so long. We were neighbors so with that, his son Mike and my son Josh were inseparable. For so long he was like part of our family, and he was always kind and always giving. We will miss him so much. Our deepest condolences to your family.
