“ *It is always sad to lose another member of our class. We were a small, but fun class, and the loss of any member diminishes us all. My thoughts and prayers go out to Jeannie, and all the family. I'm glad Dick had a chance to enjoy our Florida sunshine during his life!*

“ *Oh my, Jeannie, I am so very saddened and shocked of Dick's passing. It was so wonderful seeing both of you three years ago at our 50th High School reunion. You both looked wonderful. I am sorry I did not know Dick had been ill. I would have been sending him cheerful cards and keeping him in my daily prayers. My prayer for you and your family will be for strength during this difficult time.*
