“ Uncle Bob and I have been a loving part of your life since the day you were conceived and born. I loved your father dearly as my own brother. Your Mom is my sister in life from another mother. I love and adore your brothers and all of the Grant family. I will miss your smiling face always. I remember that skinny little boy who could not gain weight. You became a great man as your father and your brothers are also. Hug and kiss your Dad from us all. We in Florida will miss you forever my Robbie.
