“ *first, my heart goes out to the entire family. i would like to share a story which when i think of bob, i will always remember. me and bob myers, and bob use to hang out together.when someone seen the three of us together, they would say, here comes the 3 bobs.well, one night, bob was driving his 1958 chevy and we pulled into schoentags on 9w(antique store now) he stopped suddenly and slid about two feet.it happened that a state trooper was parked there.the officer came over and knocked on the window. bob rolled window down and officer says you must have good brakes to come to a sudden stop. well, bob says, yes sir, i have such good brakes that i can stop on a dime and give you three cents change. the officer started laughing and told us to just be careful and let us go. that was how bob was. always happy go lucky. i will always remember this story when i think of bob.just wanted to share this with all who knew him. ill miss him ..*
