“ Uncle Bobby was more than an Uncle. He was a caring and Loving "Dad" to all us kids growing up & as we became Adults. Always asking how you were. Kids at his house were always Welcome. Picnic's at North Lake , Rain or Shine. Cook outs at his and Aunt Barbara's house , family gatherings, Birthday Parties. Sitting up the swimming pools. Parties at his & Aunt Barbara's as Adults. You can go on and on. So many Memoirs. His laugh and smile will be missed. His calling me Da Da Dawn just to get a laugh. Always making sure at Holidays to ask me if I was making his favorite "Tapioca Pudding". Of course and some to take Home. He loved being a Fireman and was dedicated . Judging a Parade in Pawling one Year Mark & I helped . Boy he made sure we Checked everything very well. His passion was a Fire Fighter. His Love of His Life was Aunt Barbara and they are together again & Always. Say Hi & Give Everyone In Heaven a Hug & Kiss for me. Love You Uncle Bobby & Miss You.

“ Uncle Bob was always so much fun to be around. When we were little kids growing up him and Aunt Barbara were my Mom and Dads best friends and we were their adopted children. They treated us like we were their own flesh and blood. Uncle Bob use to fly kites with us, take us to pick wild berries, told us numerous jokes, always made us feel good about ourselves. He told us to never smoke because cigarettes were bad for you and he also told us to never drink coffee because it would stunt our growth. Well, those two things to this day I do not do.....No cigarettes and no caffeine in my diet. I will never forget my many conversations with him over the years. As I got older and moved away I only had a chance to see him and Aunt Barbara on my once a year visits, but I always made time to stop over and chit chat with them for a while and talk about old times. I will miss those talks Uncle Bob and I especially will miss your great laugh and huge smile. You are loved so very much. Thank you for the memories that I will cherish forever. Love You.....”

“ Sorry to hear about Mr. Owens.  
*Living down the road past him my entire childhood, (we all called it the dirt road) I saw him quite often. Rabbit was always the nicest man. He would see me on my way home from school, or where ever I might be coming from, and strike up a conversation with me. Ask about my day, how I was doing, what was going on, that sort of thing. I always admired him for taking the time out to talk to a young kid like me. For a while he had a pet monkey. As kids, we thought that was the coolest thing ever. I also remember when the Converse boys stayed with the Owens for a while. I wonder if they remember playing in the "Gravel Pit" behind the Owens house. RIP Mr. Owens, you are one of a kind and will never be forgotten.*

“ Rabbit is someone who I will always remember by his love of laughter, his smile, just like in the picture portrayed here. He looked the same since I was a kid. He loved to help people, hence his service in the Fire Department. He and Barbara loved family and were like an aunt and uncle to me when I was a young girl. Rabbit's energy for life will be sorely missed. There are many stories, I am sure. I remember going "chuck" hunting as a girl, so that the men in the car could help the farmers' so the cows wouldn't break their legs!!!!!!!!! Rabbit, you will be missed, but we can all drive down your road and always remember you!!! Give Barbara a hug up there. Love, Viv

“ You don't get many heroes to look up to or imitate in life but this guy certain was one of mine. He was a fellow firefighter, friend and co-worker and my life was only better because I knew him. Rest in peace Bob, your job here is done, you will be sorely missed.
