“ Dear Smith Family,

*I was heartsick to learn about Bobby's passing. Bobby has been opening, closing, and servicing our pool for more than 10 years. He was always polite, attentive, and kind. But he was way more than just a great pool technician. I told my husband, "This guy is some kind of genius." With his humble demeanor, he hid a deep well of knowledge and intuition. He was really someone special, and I will miss seeing him--not so much because he helped so much with my pool, but because Bobby was a welcome sign of spring, always with a smile on his face. I genuinely loved seeing him and joking around with him. I am sorry for your loss, and hope your family can stay strong and carry on and live life to its fullest, as he would have wanted.*

“ Mrs. Smith & Family,

*I am sooooo sorry for your loss....I am a widow and Bobby always opened and closed my pool. I specifically asked that he do it, because he was so caring and always with a smile on his face...He took the time to show me each year what my responsibilities were and I sooo appreciated that.*

*I know this is a difficult time for you and your family, and the loss is a deep one, but remember he will always be in your hearts and he will be your guardian angel looking over you.*

*I will keep you all in my prayers....and know that he is with the 'angels'.....*

*My Deepest sympathy, Connie Robinson*
