“ *To Sandy's family-I came to Saugerties on Saturday for my appointment at Joseph only to be told by Bob of Sandy's passing. Sandy was the ultimate professional-always pleasant, always caring, never had an ill word to say about anyone. We would talk about her trips to Vegas, Lake George, or her precious time reading to Cain. Know that many share the loss that all of you are experiencing. My one consolation is that she is finally at peace and with her John.*

“ *To Sandy's family, my sincere condolences on the loss of your mom. Sandy was my colorist for many years at Joseph's. She never lacked for topics of conversation, from her family, to her trips, to discussions on celebrities. I'm certain that the wonderful memories in your hearts will sustain you during this time of sadness. God bless you all, our solace is knowing that she is now at peace.*

“ *To Sandy's Family--I am so sorry for your loss. Sandy was my hairdresser for many years and she was so sweet. Always had a kind word and made everyone feel like her best friend. I am so sad I didn't even know she was sick. Sandy will be sorely missed.*
