“ The thing I will miss the most about him is how he picked on my southern accent.No one could sound like him, and though I do not have as many memories as most the ones I do have, I will hold close to me.

“ What can anyone really say about the loss of a loved one, a child, brother, sister.... the pain inside is indescribable. there are no right words to say or express. the presence of his friends and family, the expression of their grief... more than words. I hope Shawn finds himself in a better place.. at peace with himself and with this world. Shawn...hope they have a merry go round where you are.... you are in my thoughts always..soooooo sorry :(your gone.. I will miss you and your funny ways.

“ Shawn was unlike any other, a true angel to be exact. He had SO much going for him and would have been so successful. We were all lucky to have met him and im so sorry he had to leave so soon. Me and Shawn have spent a lot of time in the last month together and I will cherish the memories and the pictures I have for the rest of my life. Shawn is one of those people that are completely IMPOSSIBLE to forget, and Someone that your very rare to come across in life, He had a Good Heart, and Head on his shoulders. He may not be here anymore, but he lives on in my heart and many other peoples hearts forever. Shawn was there for me through some pretty rough times last year, and I thank him for that. I miss him so much.. Im so sorry Mr and Mrs.Shields, Ron and Others. I know how im feeling but I can't imagine the pain your going through right now. But I will be at the Services and I have a few very nice pictures of Shawn id like to give to you there. I give you all my regards and im sorry about this terrible tragedy. Shawn, iloveyou&missyou! Your forever in My Heart and I'll Never Forget the Good times we've had together, there never was a time we weren't laughing or rocking out to Miley Cyrus or The Black Eyed Peas :). Im glad your not in pain anymore, wait for me in heaven, I hope I get to see you waiting and mooning me at the gates :).iloveyouShawn!
