“ God father... I miss you so dearly wish you were still here to meet my boys you said you would've loved to meet my kids one day.. I'll never forget that last time I saw you was truly special .. first time you ever yelled “ I love you “ I knew something wasn't right .. just know I love you and sleep in paradise with that beautiful soul you own ❤️ I'll see you one day and can't wait for that special hug I used to receive all the time once again..

“ *Each of you are special to me as cousins. When I learned of Timmy's passing, we were on vacation in CA. I spent a long bit sitting beneath a giant sequoia wishing his choices in life were different. All lives matter, even those that make a mistake or two. Hopefully he knows how much he was loved. He was very special to Jay and me, as we grew up. With love, always.... Andrea*
