“ *Tim was my friend a million years ago - I actually had a real bad crush on him. I have thought about him often over the last 30 years!!! I googled him tonight - and my heart has been broken. I know he was in an accident way back in the day - and his family wouldn't let me see him. I have always kept him in my heart - I am devastated, I know he was messed up bad, but I would have been the kind of friend (if allowed) to be there for him, to help him - and now, 1000 years later I google him and this is what I find. RIP my FRIEND I have always loved you.*

“ *OMG - I used to hang out with Timmy way back in the day - I heard he was in a bad accident - I lived in Catskill and he lived in West Saugerties. I dreamt about him last night - and googled him today - I am beside myself. He was a wonderful person and I hate that i let so many years pass to try to find him. I LOVED HIM, HE WAS SUCH A GOOD PERSON - I WILL CARRY YOU IN MY HEART FOR THE REST OF MY LIFE.*

“ *I am very sorry for your loss. Tim was a kind, smart, sweet talented person. I shared many a laugh with him.*

My neighbor Esther Walker always spoke so kindly of Tim. I think that Esther and Johnny Walker are looking down on us with their good friend Tim.

May he rest in peace.

“ Words cannot express my heartfelt sympathy for all of you. We cannot now understand God's time for Tim, some day we will. Surround yourselves with all the love that your share with each other. Allow yourselves time to heal & trust that you will. Know that when you bring thoughts of Tim to mind he is there with you. He is at peace & free of all his burdens. How blessed it was for him to have such a loving & caring family. You are all in my prayers. Love Rosey
